

Enquêtes supranationales

Enquête : Eurobaromètre Flash 313: Préférences linguistiques de l'utilisateur en ligne

Année : 2011

Institutions/Affiliations/Commanditaires : Commission Européenne

Niveau : Union Européenne (27 Etats)

Découpage des données : Par pays

Echantillonnage : 502 pour la France, 13 752 au total européen

Variables concernées :

- What language do you consider your mother tongue, or 'your own language' ?
 - Which languages, other than your own, do you use to read or watch content in the Internet - and how often?
 - Which languages, other than your own, do you use to write (e.g. emails, comments, messages posted on a website) in the Internet - and how often?
 - All websites produced in your country should have versions available in other languages
- For each of the following Internet activities, how often do you use a language different from your own language?
- Communicate with friends and acquaintances
 - Communicate for professional reasons
 - Browse to get information, or read or watch the news
 - Browse for entertainment (e.g. play games)
 - Browse to carry out banking operations online
 - Learn about job or education opportunities
 - Learn about my rights as consumer or citizen
 - Learn about health or healthcare issues

Statements (agree or disagree) :

- When you have the choice of languages, you always visit websites in your own language
- If a website is not available in your language, you accept to use an English language website
- All web sites produced in your country should be available in your country's official language(s)

Année : 2018

Auteur/Producteur de données : OCDE

Institutions/Affiliations/Commanditaires : OCDE

Niveau : Pays de l'OCDE

Découpage des données : Par pays

Variables concernées :

Données de PISA 2018 présentées dans le rapport Eurydice :

- Percentage of 15-year-old students who mainly speak a different language at home from the language of schooling (= non-native speaking students)
- Percentages of immigrant and non-immigrant 15-year-old students, by language spoken at home (immigrants who speak a different language at home / immigrants who speak the language of schooling at home / non-immigrants who speak a different language at home / non-immigrants who speak the language of schooling at home)
- Percentage of 15-year-old students attending schools where more than 25 % of students mainly speak a different language at home from the language of schooling

Données de PISA 2018 présentées dans *OECD Reviews of Migrant Education* :

- Share of immigrant students who are non-native speakers
- Percentage of students with an immigrant background and non-native-speaking students
- Percentage of non-native speakers, by immigrant background (native students, 1st generation immigrant, 2nd generation immigrant)
- Percentage of non-native speakers, by immigrant heritage (immigrant, native students of mixed heritage, returning foreign-born students)
- Percentage of non-native speakers, by age of arrival (1st generation immigrant, arrived before/after the age of 12)

Rapport :

Etudiants avec une langue maternelle différente de la langue d'enseignement (en anglais) :
